Circular

BPS/PR/038/2020

08-06-2020

Dear Parents,

I hope you and your family are safe and healthy. We are concerned for our students' health and well-being, as well as their families. Thank you so much for your patience and understanding as we have been adjusting, like you, to the drastic changes in life during the last few weeks. A huge debt of gratitude also goes to all of our doctors, nurses, hospital employees, police personnel and sanitation workers for all they are doing to keep us safe and healthy.

The wide-ranging impact of COVID-19 pandemic is changing many things, including the way we do school education. We at Baselios Public School are trying our best to help maintain an atmosphere of a normal class room for our children with online classes.

We started online classes in the beginning of the current academic session so that children should not miss their classes and it was also necessary to complete the syllabus. Online classes really turned out to be a good option to keep our students engaged at home.

I am aware that all sections of the society are in grave financial difficulties due to the Pandemic. But as self-financed school we need to collect fees to give salary to our staff during this pandemic which is one of our priorities. For the time being fees structure for the academic year 2020-21 is the same as in academic year 2019-20.

Parents who have not paid fees of last academic session (2019-2020) are requested to pay fees in school office only. The school office is working from 9:00 am to 12:00 noon on all working days from Monday to Friday.

For the current academic session (2020-2021) fees can be paid in quarterly or monthly instalment without any late fees either at school office or through net banking through Indian Overseas Bank, Undera Branch by visiting this site- www.iob.in. a link will also be provided in the class Whatsapp group.

I look forward to your cooperation in keeping the working of our school smooth.

Stay safe and stay indoors

Regards

Jitendra Malik
Principal
